Employees

- 2.20 "Employee" or "Employees" means a person or persons defined as such under the Labour Relations Code.
- 2.21 "Probationary Employee" shall be defined as an employee who is serving a probationary period to determine their general suitability as a regular employee. All employees are hired on a probationary period, after whose successful completion they become regular employees.
- 2.22 "Regular Employee" shall be defined as an employee who has satisfactorily completed the probationary period of employment defined in Article 2.30 below.
- 2.23 "Spare Board Employee" shall be defined as an employee who is either a probationary employee or a regular employee who is engaged on a relief or day-to-day basis only and who does not hold an assignment through a posting.
- 2.24 "New Construction Employee" shall be defined as an employee who has been engaged to work only on the construction of buildings or on new or school addition projects, where new foundations are involved. Such employees shall receive wages, working conditions and fringe benefits as provided in the appropriate agreements of the trade unions in the Building Trades applicable to the Greater Vancouver area, and shall be required to pay a monthly assessment of \$1.00 to the Canadian Union of Public Employees, Local 728. They shall not be entitled to the benefits of this agreement except for daily rest periods which will be granted in accordance with Article 9.40.

All "new construction employees" shall work a seven and one-half (7 1/2) hour day, except as otherwise provided in related trades agreements.

Work performed on items normally considered part of "new construction" building costs will be paid for at current "new construction" rates.

New construction positions will not be classified as vacancies or new positions.

New construction employees will be hired through the appropriate union hiring halls or selected from the membership of the Canadian Union of Public Employees, Local 728.

No present regular employee shall be laid off as the result of the implementation of this provision.

Evaluation Periods and Reports

Probationary Period

- 2.30 A probationary period is a four (4) month period served by an employee to determine their general suitability to become a regular employee. Such period may be served simultaneously with a trial period.

Except as noted below, the probationary period shall continue for four (4) months and, during this period, no seniority rights shall be recognized.

Upon completion of four (4) months accumulated service, an employee shall be entitled to seniority dating from the day they entered the service of the Employer. For clarification of what accumulated service means with respect to the words "four (4) months accumulated service" the following applies:

- 2.301 A probationary employee must work a minimum of four (4) months from the first day of work and a minimum of 450 hours worked, or
- 2.302 Six (6) months from the first day of work and a minimum of 450 hours worked.
- 2.303 If the requirements of (2.301) and (2.302) have not been met the probationary period will be extended until eight (8) months from the first day of work.
- 2.304 Thereafter, the probationary period may only be extended for a definite period upon the consent of both parties, and in such event the employee and the Union shall be notified in writing of such extension.

During an employee's probationary period, their transfer, layoff, or dismissal shall be entirely at the discretion of the Board and shall be subject to appeal through the grievance procedure. Regular employee status will be officially conferred when the employee is notified in writing by the Human Resources Department that their probationary period has been successfully completed. Every reasonable effort will be made to forward such notice to the employee within two (2) weeks of their probation completion.

Trial Period

- 2.31 A trial period is a three (3) month period served by an employee to determine their suitability in a particular classification. Once a trial period has been successfully served by an employee, it need not be repeated at a later date. Such period may be served simultaneously with a probationary period.

Other Evaluation Periods

- 2.32 All employees who transfer to a new location by promotion, demotion or transfer shall serve an evaluation period of up to but not to exceed one (1) month except by consent of the Union.

Employees who have been evaluated in accordance with (2.30) and (2.31) and remain in the same location thereafter, will be evaluated on performance every two (2) years from the date of the previous evaluation.

Evaluation Reports

- 2.33 Reports on an employee's performance will be discussed with the employee by the evaluator. The employee may respond and the response will be attached to the report. Both the employee and the evaluator are expected to sign the report and the response, if any. This will indicate the report has been discussed, but not to indicate any agreement or disagreement. Refusal by an employee to sign an evaluation form will be noted in the employee's file.

A copy of the report and response will be given to the employee before it is forwarded to the Human Resources Department to be placed in the employee's personnel file. The Human Resources Department will forward a copy to the Union office.

When an employee is on probation or trial period, only the last evaluation report will be retained.

Staff Change Forms

- 2.34 Staff change forms shall be issued for all employees within two (2) weeks indicating their employee status as either "probationary" or "regular". In addition, position notations shall be made, namely: relief, day-to-day spare board, temporary, or regular. For purposes of notifying an employee whether they have successfully completed the probationary period, the staff change form shall normally be the method used by the Human Resources Department.

Personnel Files

- 2.35 Employees have the right to review their personnel file during regular working hours upon adequate notice to Human Resources Department.

Under normal circumstances, evaluation reports will not be removed from a file, but an employee may request, stating reasons in writing, that a specific evaluation report be removed from the file. If the request is denied, the employee's request and the reasons for denial will become part of the file.

The Employer agrees to purge an employee's personnel file of any adverse letter thirty-six (36) months from the date of the letter.

Positions, Class Specifications and Location

Position

- 2.40 A position is any job within a classification. Hence, "painter" is a position within the trades classification.

Classification

- 2.41 A classification is a broad description, as set out in a class specification, of the requirements of any position under that specific job title or description. A number of different positions may therefore be encompassed within a classification.

Class Specifications

- 2.42 Class specifications are the documents which describe, in general terms:

The nature and scope of work that may be required of an employee holding any position within a classification;

Regular Positions

- 2.43 Regular positions are defined as new positions deemed permanent by the Board or as vacancies in existing, permanent positions. Such positions may be either full or part-time. If new, such positions shall be posted. If vacant, such positions shall be posted after being vacant no more than thirty (30) working days.

Amalgamated Regular Attendant Positions

- 2.44 An ~~District Attendant~~ **employee** may apply for a posted ~~District Attendant~~ position without giving up their original position provided there is no conflict with the posted position. If the ~~District Attendant~~ **employee** is successful in obtaining the posted position, then the ~~District Attendant~~ **employee** will have a new regular position comprised now of both the original and the posted positions.

Temporary Positions

Temporary positions are defined as:

- 2.45 Relief positions necessitated by regular position vacancies resulting from employee sickness or approved leave of absence, when such vacancies are expected to exceed thirty (30) working days;
- 2.451 Day-to-day positions for employees augmenting the regular workforce when the duration of their employment exceeds or is expected to exceed three (3) months;
- 2.452 New positions designated as temporary by the Board, whose duration exceeds or is expected to exceed three (3) months but will not exceed six (6) months. New positions where funding is of a temporary nature will not exceed twelve (12) months and will be identified on the posting with an end date and a reason for the posting. The employer shall notify the Union prior to the posting of such positions.

All positions defined as temporary shall be posted.

Most Junior Position

- 2.46 A vacancy in a classification will be considered the "most junior position".
- 2.461 If there is no vacancy available and it is necessary to "bump" an employee, the employee who is "bumped" will be the most junior employee in the classification having less overall seniority and working the same or fewer hours than the employee exercising bumping rights.

Location

- 2.47 Location is the normal place of work in which or from which an employee in a particular position normally works. As an example, an employee may be:

Such employees must be qualified to perform the available work as per Article 12. The employer will make known which computer(s) in each school support staff can use.

Employees must take vacation days equivalent to any vacation pay earned and outstanding from the previous year in the following manner:

- 2.511 by arranging to take the vacation days off prior to the beginning of the assignment, or
- 2.512 by arranging to take the vacation days off at the end of the assignment and prior to the beginning of their regular position.

Promotion

- 2.52 Promotion shall be defined as the movement of an employee to a higher rate of pay or position.

- 2.53 Demotion shall be defined as the movement of an employee to a position involving reduced responsibilities and duties and possibly a reduction in pay.

- 2.54 Transfer shall be defined as the movement of an employee from one position to another, in the same classification at the same rate of pay.

ARTICLE 3: MANAGEMENT RIGHTS

- 9.352 As a result of the implementation of a clerical shift other than day shift no clerical employees on staff as of January 1, 1983 will be laid off.

Split Shift Classifications

- 9.36 Caretakers, School and Community Support, Clerical and Bus Drivers may be scheduled to work split shifts. The Parties may mutually agree upon jobs or other classifications where operational requirements would be best served by a split shift. For the purposes of this article, three (3) hours or more shall constitute one-half (1/2) of a shift. The Board and the Union will cooperate in the operation of this provision recognizing that rest periods provide employees an opportunity to rest and recover from the performance of their normal workplace duties.

Approximate rest break times for employees are expected to be posted with the hours of work schedule in each work location, or posted at the maintenance

shop for the information of itinerant maintenance employees. All employees are expected to have their rest breaks on school district property, unless impractical. Changes in scheduled rest breaks should be previously authorized by the employee's immediate supervisor.

An employee must work a minimum four and one-half (4 1/2) hour shift to qualify for a paid lunch break as provided in the afternoon and four (4) hours to qualify in the night shift definition.

Part Time Employees Required to Work Beyond the Normal Scheduled Hours

9.73 In extenuating circumstances where a part-time employee is required to work beyond the normal scheduled hours of work the employee may choose:

- a) to receive in pay the additional time worked or;**
- b) where the part-time employee and the supervisor concerned agree in advance to time off in lieu of extra straight time hours, the employee may bank the extra hours and will be entitled to the value of those hours in paid time off**

The time off in lieu will be at a mutually acceptable time that is convenient to the needs of the department; and the employees will file a request with their supervisor to take such time off at least two (2) weeks before the time off is desired or an agreed upon time between the parties. Under normal circumstances, all banked time shall be cleared off by June 30th for 10 month employees and August 31st for 12 month employees, and any banked time to an employee's credit before the employee returns to work from vacation. Employees requesting to trade shifts must be in the same classification and must be fully qualified to perform each other's duties.

10.13 Authorized overtime will be paid at the appropriate rate; however, where an employee and the supervisor concerned, agree prior to overtime being worked, the overtime may be "banked" and taken as time off at the rate earned. Periods of less than one-half (1/2) hour overtime may not be banked or carried forward, and an employee will be limited to a maximum banked amount of time off equal to six (6) days pay.

Where both employee and supervisor agree in advance to time off in lieu of overtime, the employee may bank the overtime; and such banked overtime must then be taken as time off and may not later be drawn as a wage premium.

Where time off is taken in lieu of overtime, such time off will be taken at the equivalent straight time of the rate earned when the overtime was worked. The time off will be taken at a mutually acceptable time which is convenient to the needs of the department; and the employees will file a request with their supervisor **with reasonable notice** to take such time off ~~at least two (2) weeks before the time off is desired.~~ Under normal circumstances, all banked overtime shall be cleared off by June 30th for 10 month employees and August 31st for 12 month employees, and any banked overtime to an employee's credit before the employee returns to work from vacation. However, should it not be possible to schedule the time off by June 30th for 10 month employees and August 31st for 12 month employees, the employee will receive the equivalent wage premium in lieu.

10.14 During the course of any year ending June 30, overtime work shall be divided equally, within departments or schools, among employees who are available, willing and capable to do the work. This provision will also apply, insofar as is

practicable, to the distribution of extra hours among bus drivers, i.e., extra hours will be those hours in excess of six (6) hours per day.

11.21 Employees engaged in "dirty" work shall receive a premium of fifty (50) cents per hour in addition to regular wages for a minimum of three (3) hours per shift while engaged in such dirty work providing the employee works at least one (1) hour in such dirty conditions.

The parties agree that the issue of what constitutes dirty pay shall be subject to the development of a policy by a committee comprised of two members from the Union and two from management. Until the policy has been completed the employer will continue to pay dirty pay on the basis of past practice.

Painters working in spray booths shall be eligible for this premium.

Chargehand Pay

11.22 A premium of one dollar (\$1.00) per hour shall be paid to maintenance employees named as charge-hands. A person named as a charge-hand will be the senior qualified member of the applicable work unit or crew.

11.23 When an employee is directed by the Employer to relieve in a higher rated excluded position for two (2) or more workdays the employee shall be paid a premium of 10% of their regular rate of pay for all days worked in the higher rated excluded position. Upon completion of the assignment, the employee shall return to their regular position. An employee may relieve in a higher rated

excluded position for a continuous period of up to twelve (12) months. By mutual agreement between the Employer and the Union, the period of time may be extended beyond twelve (12) months.

Where an employee is relieving in an excluded position that is anticipated to be longer than three consecutive months, or if the employee reaches three consecutive months relieving in an excluded position, the employer will notify the Union.

While relieving in an excluded position, the employee will continue to be subject to the terms and conditions of this collective agreement. It is agreed that employees relieving in an excluded position will be restricted from applying further or other disciplinary measures as per Article 7.11.

ARTICLE 12: SENIORITY, TRANSFERS, DEMOTIONS, PROMOTIONS AND LAY-OFFS

Seniority

12.10 Employees shall upon completion of the probationary period be credited with seniority dating from the first day of work for the Board.

12.11 Probationary employees applying for posted positions shall be entitled to have their days of actual work for the Board considered when evaluating their suitability for the position, although they have no seniority under this Article.

Seniority Accumulation

12.12 Seniority shall be accumulated for every day a regular employee is in the service of the Board including:

12.121 Days for which the employee is in receipt of Workers' Compensation benefits or sick leave paid by the Board, or in receipt of payments from the sick leave bank.

12.122 While on maternity/parental leave.

- 12.123 For other approved leaves of absence without pay for a period not exceeding sixty (60) working days.

- 12.125 Approved leave of absence for up to two years for study or training related to present or future employment with the Employer, or for family emergency leave.
- 12.126 **While on approved leave entitlements allowed for under the Employment Standards Act.**

Seniority Frozen

- 12.13 Seniority will be frozen to an employee's credit, but will not further accumulate:
- 12.131 For a period of six (6) months where an employee with less than one (1) year's service is laid off.
- 12.132 Effective May 1, 1996, for a period of eighteen (18) months where an employee with more than one (1) year's service is laid off.
- 12.133 For any period of approved leave of absence without pay in excess of Article 12.123 and 12.125.

Seniority Loss

- 12.14 An employee shall lose seniority:
- 12.141 On voluntarily leaving the service of the Board.
- 12.142 If discharged for proper cause and not reinstated.
- 12.143 If continuously laid off for a period exceeding 12.141 or 12.142 whichever is applicable.

Permanent Reassignment of Excluded Staff

- 12.15 Excluded staff leaving their excluded position may be assigned to the appropriate spare board, or to vacant positions for which they qualify and for which no member of the Union has applied or is qualified. Upon permanent

reassignment to a position within the Union's jurisdiction the conditions of Union membership will apply.

- 12.151 In such instances the employee's total service with the Board will be recognized for all benefit provisions of this agreement, with the exception of seniority rights. Only the employee's service within the bargaining unit (subsequent to excluded staff service) will be considered as seniority except those employees who leave the bargaining unit and return to the bargaining unit before completion of the excluded probation period or six (6) months, whichever is less. It is understood that the excluded employee returning under this clause shall return to the appropriate spare board.

Attendants' (District Attendant Spareboard and Supervision Aides) Seniority Rights

- 12.16 Upon completion of one hundred and eighty (180) ~~hours~~^{shifts}, attendants shall be deemed to have seniority for the purpose of applying for posted positions with the Board.
- 12.161 If an attendant is awarded a posted position, the probationary period starts on the first day of work in that position and probation will be served as per Article 2.
- 12.162 In the event of a layoff at their work location, an attendant who has seniority under this Section shall be entitled to replace another attendant in the same classification. Replacement will be effected through the Human Resources Department.
- 12.163 Attendants who attain a regular position shall not be entitled to vacation entitlement, retirement bonus, or sick leave payout from their date of seniority but from the date they started their probation.
- 12.164 ~~Hours~~^{Shifts} worked by Attendants since September 1, 1993 shall be used in the calculation of attendant seniority.

Supervision Aide Increase/Decrease of Hours

- 12.165 When additional supervision hours are available at a site, they shall be offered to the senior Supervision Aide on site subject to operational requirements.
- 12.166 If a Supervision Aide in a school has a reduction in the number of regular hours of work, the Supervision Aide may bump another Supervision Aide (non-combined position) in the school who has worked less hours in the district as a Supervision Aide.

Criteria for Making Promotions, Transfers, Demotions and Layoffs

12.20 In making promotions, demotions, and transfers as well as layoffs, the required knowledge, ability and skills for the position as outlined within the appropriate class specification shall be the primary consideration and where two or more applicants are qualified to fill the position applied for, seniority shall be the determining factor.

An employee shall not be eligible for more than three (3) transfers in any twelve (12) month period without the mutual agreement of the parties.

Trial Period

12.21 An employee who moves to a position in which they have not satisfactorily completed a probationary or trial period must serve a trial period of up to three (3) months to determine suitability in the new position, without loss of seniority or without loss of scheduled rate of pay should the employee return to their former position or classification in accordance with 12.23.

Evaluation Period

12.22 An employee who moves to a position in which they have previously successfully completed a probationary or trial period will be required to serve an evaluation period of up to but not exceeding one (1) month.

Reverting

12.23 An employee, having requested and been awarded a promotion or transfer, must remain in the new position for thirty (30) working days. If an employee, prior to or inclusive of the thirtieth (30th) working day in the new position, advises the Board in writing that the new position is unsatisfactory, the employee shall be returned to his or her former position without loss of seniority or scheduled rate of pay. If an employee notifies the Board in writing, after thirty (30) working days but prior to completion of the three (3) month trial period, that the position is unsatisfactory, the employee shall be returned to the junior position in his or her former classification, without loss of seniority or scheduled rate of pay.

In the event an employee proves unsatisfactory in the new position during the aforementioned trial period the employee shall be returned to his or her former position without loss of seniority or scheduled rate of pay.

Student Support Transfers

- 12.25 A Student Support employee in a posted position who requests, in writing, a transfer from their current assignment to a different assignment, may do so once in each period (September - December or January - June).
- 12.251 Upon receipt of such written request the District will place the Student Support employee into an existing unfilled vacancy or into the first available vacancy (in the Student Support employee's classification), for which the Student Support employee is qualified, with the same number of hours.
- 12.252 In the event that the number of Student Support employees requesting transfers exceeds the available vacant positions, then seniority will be the determining factor.
- 12.253 A vacant position filled by way of the above transfers shall then be posted at the first applicable posting for Student Support employees.

Vacant and/or New Positions

Vacancies

- 12.30 When a vacancy occurs or is expected to occur or a new position is created, the Board shall notify the Union and post for the information of all employees the vacancy to be filled at least six (6) working days prior to the closing date for applications. See Letter of Understanding – Online Posting System.
- 12.301 Regular employees shall be given first opportunity to bid for posted vacancies which come within the scope of the Union's bargaining authority. Probationary employees will be given the opportunity to bid for posted positions where no qualified regular employee applies. It is understood that preference will be given to current employees.
- 12.302 Although exceptions may be made in extenuating circumstances, employees will not normally be awarded posted vacant positions unless there is a reasonable expectation that they will be able to report for work as required of the vacancy. This provision will not preclude employees who are absent but who will be able to report for work within forty-five (45) calendar days of the posting close, from qualifying for a posted vacancy.
- 12.303 Assignment of an employee to a specific job posting shall not preclude the Board from temporarily reassigning the employee to other work locations as may occasionally be required to meet the needs of the school district's operation. Such reassignments will not be made for punitive reasons.
- 12.304 Posted positions shall be assigned not later than ten (10) working days after the closing date for applications.

- 12.305 Vacant positions may be filled on a temporary basis for a period not exceeding thirty (30) working days prior to a permanent appointment being made.

Increased Hours

- 12.31 ~~When the hours of a part-time position are increased the incumbent shall accept the additional hours. Should the incumbent choose, however, they may accept reassignment to the spareboard, in which case the position will be posted at the increased hours.~~ **When the hours of a part-time position are increased at a department or school, the hours will be offered to qualified part-time employees in order of seniority. Should all the part-time employees refuse the increased hours, the hours will be assigned to the junior part-time employee. Should the junior employee refuse the hours, they will be reassigned to the spareboard, in which case the position will be posted at the increased hours.**

If there is an operational necessity that requires the hours to be offered to a specific assignment the Employer may offer the hours to the incumbent. The incumbent shall accept the additional hours or accept reassignment to the spareboard, in which case the position will be posted at the increased hours.

- 12.311 In the case of Education Assistants, the 'incumbent' will be the Education Assistant who clearly is the primary service provider for a specific student or group of students.
- 12.312 Where regular Education Assistant hours are added to a school such that these hours do not increase the hours of a part time position of an incumbent as per (12.31) above, then the additional Education Assistant hours will be offered to the most senior qualified Education Assistant in the program in the school. The most senior qualified Education Assistant must presently have a schedule that will not be in conflict with the required scheduling of the additional hours so that the additional hours best meet the needs of the applicable student or program. The senior employee's hours of work will be consecutive.

Decreased Hours

- 12.313 When the total clerical or caretaker hours in the work location are decreased the hours of the most junior employee in the lowest-rated position in the work location will be reduced.
- 12.3131 Employees thus affected may, if they choose, then exercise their rights under the layoff provisions of Article 12.5.

Upgrading of Positions

12.314 In the absence of any specific agreement to the contrary between the Board and the Union, when a position is upgraded to a higher classification it will be posted.

Postings

12.315 Postings shall contain the following information:

Specific position including the job title;
Location (where applicable);
Required qualifications;
The scheduled rate of pay;
Hours of work; and
Program/work area (where applicable).

Applications

12.316 Employees are expected to state their relevant qualifications when applying for a posted position.

Temporary Postings

12.317 Where the Board determines to fill any position which is expected to be vacated for more than thirty (30) working days as a result of an employee's sickness or approved leave of absence, such position will be posted as a temporary vacancy.

Short Term Facilities Center Vacancies

12.318 Where there is a vacancy of fewer than thirty (30) working days anticipated in the Thomas G. Ellis Facilities Center for a position other than Foreperson (m/f), the Board will make the vacancy known to Facilities Center employees by means of a memo posted in the Facilities Center.

12.3181 The position will be filled on the third (3rd) working day after the memo has been posted, by the most senior qualified applicant from among those applicants from lower-rated positions who have signed the memo indicating an interest in filling the posted position. The successful applicant will assume the

actual duties of the position on the fourth (4th) day after the memo has been posted.

Returning From a Temporary Assignment

12.319 A regular employee who bids for and accepts a temporary posted position shall, upon completion of the assignment, return to their regular position.

Student Support Postings

12.32 Positions being filled in which the Education Assistant is the primary service provider for a student(s) with a disorder within 1) the autistic spectrum (Autism, Asperger Syndrome, Pervasive Developmental Disorder – Not Otherwise Specified – PDDNOS, Rhett Syndrome, Kanner’s Syndrome) or 2) meeting the criteria for the Ministry funding designation for “physically dependent with multiple needs” (as determined by the Special Education Department) will be posted on the earliest regular posting. The period during which a successful applicant may return to ~~his or her~~ **their** previous position as per Article 12.23 will be thirty (30) working days unless the employee proves unsatisfactory within the trial period in which case the employee will be returned to ~~his or her~~ **their** former positions or unless mutually agreed to by the union and the employer. Save for this, Education Assistants in these positions will remain for at least the remainder of the school year and will not be subject to bumping by other employees during this period. The Special Education Department will review the needs of these particular students annually to see whether monthly postings are appropriate.

School Closures and New School Openings

12.33 Where an existing school is closed, employees working at that location shall be laid off.

Where an existing school is closed, and the students are moved to a new school at the same location, employees shall retain their existing positions providing the positions continue in the new school.

Where an existing school is closed, and the students are moved to a new school but at a different location and the catchment for the school is unchanged, employees shall retain their existing positions providing the positions continue in the new school.

Where an existing school is closed, and a new school is opened and the catchment for the new school has changed, all positions at the new school shall be considered vacant.

Where the Employer moves the location of a facility other than a school, employees shall retain their existing positions providing the positions continue at the new location.

Relief, Day-to-Day (Spareboard Assignments/Employees)

12.40 In order to ensure the assignment of spareboard work in a fair and impartial manner and to provide an efficient method of work assignment for the School District there shall be a system composed of five (5) spareboards. Spareboard assignments are defined as relief and day-to-day work normally undertaken by Spareboard employees to:

12.401 relieve employees who are absent due to sickness, leave of absence, or vacation; or to

12.402 augment staff on a day-to-day basis; or to

12.403 work on a special project of limited duration, which shall not exceed thirty (30) working days unless this period is extended by mutual consent, in writing, of both parties.

Spareboard Categories

12.41 Clerical Spareboard - This spareboard shall be used to call out for spareboard assignments those employees generally known as clerical.

12.42 Student Support Spareboard - This spareboard shall be used to call out for spareboard assignments those employees generally known as student support.

12.44 District Attendant Spareboard – this spareboard shall be used when filling spareboard assignments for district attendant employees. These spareboard

Operation of Spareboards

- 12.45 Operation of Spareboards - Each spareboard shall operate within the rules laid out below. If there is a dispute as to the application of the rules then the parties agree to meet as soon as possible to try to resolve the difference.
- 12.451 Spareboard employees shall be reassigned as soon as possible upon the completion of each assignment, unless they are laid off. No notice will be required in the event such employees are laid off.
- 12.452 Spareboard employees whose assignments are completed, shall not be entitled to "bump" other employees still working in other spareboard assignments except in the event of a general layoff, when regular "bumping" procedures would apply.
- 12.453 When spareboard employees are required, the assignment will first be offered to the senior employee on the spareboard possessing the qualifications as shown in the appropriate class specification for the assignment.
- 12.454 A probationary employee's name may be removed from the spareboard list if they refuse to accept or acknowledge an offer of an assignment and shall be removed if they fail to maintain satisfactory service.
- 12.455 The responsibility for being able to be contacted to accept assignments rests entirely with the employee.
- 12.456 Regular employees assigned to the spareboard are expected to maintain satisfactory service, but may decline to accept certain assignments for valid reasons acceptable to the Board. The Board shall not be unreasonable with employees who decline work under this provision.
- 12.457 Employees serving on the spareboard due to transfer, demotion or "bumping" shall continue benefit entitlement as per Article 13.
- 12.458 Days not worked by an employee on the spareboard for lack of an assignment will be considered days on unpaid leave of absence and not layoff. Statutory holiday pay for such employees shall be at either the relief rate being paid or the average rate being paid or the average rate earned during the last ten (10) days of the qualifying period as defined in Article 14.10, whichever applies.

Layoffs

12.50 Layoffs include reductions in posted hours, or in the staff complement of a department or the district as a whole.

Notice of Layoff

12.51 Employees who are to be laid off from the District will be given layoff notice in writing as follows:

- less than three (3) years of service, ten (10) working days;
- three (3) years of service, fifteen (15) working days;
- four (4) years of service, twenty (20) working days;
- five (5) years of service, twenty-five (25) working days;
- six (6) years of service, thirty (30) working days;
- seven (7) years of service, thirty-five (35) working days;
- eight (8) years or more of service, forty (40) working days

12.511 In the event the above layoff notice is not possible the employees concerned shall receive pay in lieu of such notice equal to the days notice not received.

12.512 Such laid off employees will retain seniority recall rights in accordance with Article 12.

12.513 The layoff notice requirement will not apply:

- to recall assignments of fewer than five (5) working days
- to layoffs from the spareboard; or
- where school term employees are not required to work over/during periods of school closures.

In the event of a layoff:

12.52 The laid off employee may bump the most junior employee working the same or fewer hours in the same classification, providing the junior employee has less overall seniority than the employee who is to be laid off;

12.521 If there is no such employee junior to the laid off employee in the same classification, the laid off employee may bump the junior employee in the classification in which the laid off employee last completed a probationary or trial period, providing the junior employee has less overall seniority and is working the same or fewer hours than the employee who is to be laid off;

12.522 If there is no junior employee to bump in either 12.52 or 12.521, the laid off employee may bump the junior employee in the classification in which the laid

off employee next previously served a probationary period, providing the junior employee has less overall seniority and is working the same or fewer hours than the employee who is to be laid off, or

12.523 If there is no junior employee to bump in either 12.52, 12.521 or 12.522, the laid off employee may go on the spareboard for clerical, student support, maintenance/caretakers/ transportation, or district attendant whichever is applicable.

12.524 The laid off employee may be laid off from the district.

12.525 Laid off employees shall be given first opportunity for Summer work.

“Same or Fewer Hours”

12.53 Where the expression "the same or fewer hours" is used, it is intended that:

12.531 The laid off employee may bump the most junior employee, working the same number of hours, in their classification, providing that employee is junior to the laid off employee, but

12.532 If there is no such junior employee, the laid off employee may then bump the most junior employee working the next fewer hours, providing that employee is junior to the laid off employee.

12.54 A vacancy in a classification will be considered the most junior position for "bumping" purposes.

12.55 Where an employee being laid off exercises their seniority in another classification, the change is to come about not later than two working days after the layoff has taken place.

12.56 Effective May 1, 1996, subject to Article 12.14 a position declared redundant shall be deemed to be reinstated if the position is re-established within a eighteen (18) month period and shall be offered to the last incumbent. Thereafter such position would be deemed a "new position" subject to posting.

12.57 Subject to Article 12.14, the most senior laid off employee shall be the first reinstated or rehired.

ARTICLE 13: EMPLOYEE BENEFITS

13.10 It shall be the responsibility of the employer to ensure that employees receive full benefit entitlement.

LETTER OF UNDERSTANDING

**HOURS OF WORK FOR STUDENT SUPPORT, SCHOOL AND COMMUNITY
SUPPORT, AND CLERICAL EMPLOYEES**

1. The School Board and the Union agree to the establishment of a joint committee which will meet no less frequently than quarterly to discuss the possibility of combining the hours of work of part-time education assistants, school and community support and clerical positions into full-time positions.
2. The parties will consider such factors as the stability of the hours of work of the various part-time positions, the compatibility and logistics of combining part-time positions, the impact on students and on programs, etc.
3. If the Union requests the creation of a full-time position pursuant to this letter of understanding, such request will not be unreasonably denied.

Letter of Understanding #2– Pay Equity

PAY EQUITY

Postings – employees on staff on 25 November 1999, will be eligible, for a period of two (2) years after the implementation of the pay equity program, to post to vacant positions based on the required knowledge, ability and skills in place on 25 November 1999 for the applicable position.

Bumping Rights. Employees on staff as of the 25th of November whose title or classification is changed as a result of the implementation of the pay equity program will have bumping rights, as defined in Article 12, Section 5, based on the required knowledge, ability and skills in place on November 25, 1999 for the applicable position.

There will be a fund of \$25,000 available to employees to use for release time and/or course fees to allow employees to upgrade to meet the required knowledge, abilities and skills in the pay equity class specifications which they would, in the past, have been able to post into without these qualifications. This fund will be administered jointly by the Parties.

LETTER OF UNDERSTANDING

EA ASSIGNMENTS, POSTINGS, BUMPING AND LAYOFFS

1. In the event that any provision contained in this article conflicts with any other provision in the collective agreement, the provision in this article shall apply.
2. **EA positions will be school-based.** ~~Each EA position will be either a school-based EA position or a child-specific position.~~
3.
 - a) Each EA in a regular position as of the first day of school shall be entitled, for the period up to the following June 30th, to maintain at least their regular weekly pay in ways provided for herein unless the EA accepts and agrees to fewer hours of work. During the school year, all EAs not in regular positions as of the first day of school will be considered spareboard EAs. This maintenance of regular weekly pay does not apply to spareboard employees.
 - b) Article 12.50, Layoffs does not apply to EAs during the school year and article 12.317, Temporary Postings, will not apply to EA positions during the school year.
 - c) An EA in a regular position where there is a reduction in the EA's regular hours of work may choose to:
 - i) have the Board maintain at least **their** ~~her/his~~ regular weekly pay up to the following June 30th ,
 - ii) assume a school-based EA position in the school consistent with 6 herein,
 - iii) assume the position with lesser hours on an ongoing basis,
 - iv) assume the position with lesser hours on a temporary basis or,
 - v) revert to the spareboard on a relief or day-to-day basis.

An EA who chooses i), iv) or v) will have the right to bump the following August based on their regular hours of work prior to the reduction of hours unless the EA obtains a position through the June posting process. An EA who chooses iv) and remains at their school and subsequently attains hours up to the quantity that were reduced will have the option to return to their regular EA status, covered by 3a), prior to their reduction in hours.
4. If an EA in a regular position chooses 3(c)i) above, the Board may maintain the EA's regular weekly pay by placing the EA in a spareboard assignment(s). A spareboard assignment made pursuant to this article is independent of, and

takes precedence over, the normal spareboard provisions provided for in Article 12.

- ~~5. An EA position may be designated as a child-specific position by Student Support Services. Prior to making the designation, there will be an individual assessment of the educational, emotional, medical, communication and safety needs of the particular student as well as the need for EA continuity due to the specialized EA training for the student. This assessment will be done annually.~~
5. In the event that the regular hours of work for an EA covered by 3a) herein are reduced during or at the end of the school year, then the EA will be given the opportunity to assume any school-based EA position in the school, where the hours of the position are the same or fewer, provided the EA has the required qualifications for the position and has greater overall seniority than the EA in the position or, in the alternative, opt for one of the options noted in 3c) above.

An EA who assumes another position in the school, with fewer hours pursuant to this sub section will be considered to have accepted the fewer regular hours of work.

6. a) Nothing in this agreement will preclude the Board and the Union from agreeing, when appropriate circumstances exist, to transfer an EA from a regular position to another position or assignment.
- b) During the school year, an EA in a regular EA position may agree to be assigned to another regular EA position in the school without 3a) above being activated.
- ~~c) In the event that a student receives service from a child-specific EA and the student transfers to another location, the EA may, provided the EA agrees, move with the student until the end of the school year or exercise their options pursuant to Section 3c) above. Should the EA position continue for the next school year, it will be posted pursuant to 11 below.~~
- ~~d) In the event that a student was receiving school-based EA service and is then assigned a child-specific EA during the school year, the school-based EA who primarily provided the service to the student may be reassigned, on a temporary basis, for the remainder of the school year, as the child-specific EA if the EA has required qualifications.~~
7. Subject to 3, 4, ~~56~~ and ~~67~~ above, new temporary or regular EA vacancies which are filled on or after the first day of school will be filled by placing qualified spareboard EAs in those vacancies as provided for in article 12.453.
8. An EA who successfully posts into a non-EA position during the school year may return to an EA position by:

- a) successfully posting into a position through the June posting or
 - b) reverting to the EA spareboard if there is an availability or, failing that, by bumping the most junior spareboard EA not in a regular position, if the EA has sufficient seniority.
9. a) Adding regular EA hours of work will be done so that the additional hours best meet the needs of the applicable student(s) or program. Additional regular hours of work which are a logical extension of an existing EA position will be given to the part-time incumbent. Subject to the preceding, additional regular hours will be offered to the most senior EA in a regular position where the hours of work are consecutive, no scheduling conflict exists and where the EA is qualified for the position.
- b) If the incumbent is in a school-based EA position and does not accept the additional hours, they may accept reassignment to the spareboard, in which case the position will be filled on a temporary basis by a spareboard employee and posted in June.
 - c) ~~An EA in a child-specific position will assume additional regular hours if the expectation of increased hours is reflected in the posting.~~
10. a) When an school-based EA's regular hours of work are anticipated to be reduced for the following school year, the EA may i) accept the reduced hours or ii) bump first within the school consistent with the process provided for in Article 12.52.
- b) The Principal/VP shall advise all EAs, after the assigned hours have been received at the school, the available positions at the school for the following September. The Principal/VP will consider seniority and preference in the assigning of positions but the final determination of positions shall be made by the Principal/VP.
 - c) By no later than the fifth working day prior to the last school day in June, each school will communicate electronically, the names of all EAs in regular positions, with their anticipated regular hours of work for the following school year, at their site.

The Human Resources Department will advise on the HUB (or substitute) Human Resources Support Staff Conference and on the June posting, in general terms of the date and the posting and bumping procedures.

- d) At least four days prior to the last day of school in June, the Human Resources department will publish, electronically on its Human Resources Support Staff Conference, a posting bulletin of all known EA positions available for the next school year. The date, time and location of the "Posting" meeting will be indicated in the posting bulletin. ~~A hard copy will be available at all EA work sites and the Human Resources department.~~
EA employees on long term illness, maternity or WCB leave will be

~~notified by letter on how to obtain the posting bulletin.~~ **The Employer will email all EA's and ABA's electronically, including employees on long term illness, maternity, or WCB Leave, that the posting is online.**

- e) The posting bulletin will include the following vacancies that are expected to continue the next school year:
 - i) all regular EA vacancies not filled by the end of the preceding August bumping process, but which are then filled during the school year by spareboard EAs,
 - ii) all EA positions filled on a temporary basis during the year
 - iii) all new EA vacancies.

~~A child-specific EA position where the increase in the regular hours were reflected in the posting bulletin consistent with subsection 10c) will not be posted.~~

- f) During the June administrative day (the last day of school) a meeting will be held of all EAs wishing to bid for an available EA vacancy. Non EAs wishing to apply for one or more of the available EA positions will submit a written application to the Human Resources department by 1:30 p.m. the day before the posting meeting. EAs attending the meeting will have no loss of pay for the time spent at the meeting and no EA attending the meeting will be paid for time not scheduled for work on that day.
- g) Posted vacancies will be awarded on the day of the meeting to the extent possible. The successful applicant for a vacancy will be the most senior qualified applicant applying for the position. An EA may exercise **their** ~~her/his~~ posting rights personally, through a representative (with written authorization) or by requesting Human Resources, in writing, to act on behalf of the EA in a manner requested by the EA.
- h) An EA who chooses 3c i), iv) or v) will have the right to bump the following August based on their regular hours of work prior to the reduction of hours unless the EA obtains a position through the June posting process.
- i) If the anticipated regular hours of work for the following school year were reduced for an EA and
 - i) the EA did not accept the reduced hours or
 - ii) the EA did not bump within the school

then, if the EA does not successfully post for a position in June, the EA must advise the Human Resources department, no later than by the end of the meeting, as to whether they are going to take the position with the anticipated reduced hours or whether they will participate in the bumping meeting based on ~~his or her~~ **their** regular hours of work prior to the

anticipated reduction of hours. Failure to do so will result in the EA retaining their position with the reduced hours.

- j) ~~EA positions will be posted either as child-specific or school-based positions.~~

~~The child-specific position posting will indicate a behaviour and self-help description of the student and a needs intensity rating. These descriptions could change over time.~~

~~The school-based position~~ **Postings** will include the general nature of the assignment **and any special requirements for the job**. The nature **and requirements** of the assignment could subsequently change over time as circumstances in the school warrant.

11. a) There will be a general “bumping” meeting open to all laid off EAs who are eligible to bump. All such EAs will be advised by publication on the Human Resources Support Staff Conference of the time and location of the bumping meeting which will take place on the Wednesday following the B.C. Day Statutory Holiday. All EA position vacancies will be posted electronically the Friday prior to the B.C. Day Statutory Holiday. Such EAs shall attend the “bumping” meeting or submit an application electronically. EAs wishing to submit shall apply for one or more of the available EA positions to the Human Resources department by 1:30p.m. the day before the “bumping” meeting. The bumping process will be consistent with that provided for in Article 12.52.

- b) The day following the bumping meeting Human Resources staff will commence placing EAs, who were bumped as a result of the bumping meeting, in a vacancy or position which provides the EA with the greatest number of regular hours of work consistent with the process outlined in Article 12.52. If an EA prefers to revert to the spareboard instead, the EA may do so provided that written advice is given to Human Resources no later than the end of the first week of school and the EA has sufficient seniority in which case the EA will not be covered by 3a) herein.

- c) An EA, who has obtained a regular EA position that fails to exist by the end of the day on Wednesday in the second week of school, will be eligible for EA vacancies in order of seniority if qualified. The EA will be eligible for any vacancy and, if successful, shall obtain the position on a temporary basis ending the school year.

On the Thursday of the second week of school, the Human Resources Department will begin calling all eligible EAs, in seniority order. Eligible EAs will be offered all known vacancies at the time.

Eligible EAs are not obliged to participate in the above process and if they do not participate will continue to be covered by Section 3 of this agreement.

If an eligible EA enters the process and opts for a position with the same hours then they will continue to be covered by Section 3 of this agreement.

If an eligible EA opts for a position with fewer hours, then Section 3 and 6 of this letter will not apply to the EA except that they will be allowed to bump at the bumping meeting at the hours of their previously assigned position. They will also be guaranteed the fewer hours until the end of the school year.

12. The Parties agree to establish a joint committee of three (3) members each that will meet no less than quarterly to discuss relevant issues of interest to both parties.

13. In preparation for each meeting in **12.3**) above, the Board will provide to the joint committee a current “locator” report.

Letter of Understanding #4 – Sick Leave Benefits, Sick Leave Bank Benefits and Long Term Disability (LTD) Benefits

MEMORANDUM OF AGREEMENT

between

SCHOOL DISTRICT No. 36 (Surrey)
(hereinafter referred to as the Employer)

and

CUPE – LOCAL 728
(hereinafter referred to as the Union)

Re: Sick Leave Benefits, Sick Leave Bank Benefits and Long Term Disability (LTD) Benefits

1. The parties have negotiated sick leave provisions which include personal sick leave and a Sick Bank which provides benefits for eligible employees for one (1) year following the termination of personal sick leave (Article 15 of the collective agreement).
2. The Public Education Benefits Trust (PEBT) provides a provincially funded long term disability plan (LTD Plan) that became effective November 1, 2006 and is referenced in the Long Term Disability and Joint Early Intervention section of Appendix D of the collective agreement. Benefits in this plan are paid to eligible employees after a one hundred and twenty (120) day elimination period.
3. The parties have agreed that the integration of the sick leave and sick bank plan and the LTD plan will not result in any extra cost for the employer and if savings are generated, they will be returned to the Union and its members to be distributed in a manner to be mutually agreed by the parties.
4. The LTD Plan provides benefits to eligible employees after an elimination period of 120 calendar days. An employee on sick leave and eligible to receive sick leave benefits will receive sick leave benefits during the elimination period of the LTD Plan. School term (ten (10) month) employees will not receive sick leave benefits during periods of school closure.
5. During the period that an eligible employee is in receipt of LTD benefits, sick leave benefits will not be paid and therefore not deducted from the employee's sick leave entitlement. During the period that an eligible employee is in receipt of LTD benefits, Sick Leave Bank benefits will not be paid.

6. Employees eligible to receive Sick Leave Bank benefits (i.e. regular employees working a minimum of sixteen (16) hours per week and who have completed two (2) years of regular service) and do not have sufficient sick leave credits to cover the elimination period of 120 days, shall be eligible to receive benefits from the Sick Leave Bank until the completion of the elimination period. Hereinafter referred to as "Elimination Period Sick Leave Bank benefits." Such benefits shall be equal to 80% of their regular rate of pay. School term (ten (10) month) employees will not receive Elimination Period Sick Leave Bank benefits during periods of school closure.
7. During the first year of receipt of LTD benefits, employees eligible to receive Sick Leave Bank benefits (i.e. regular employees working a minimum of sixteen (16) hours per week and who have completed two (2) years of regular service), shall accrue vacation entitlement equivalent to the amount accrued if the employee was in receipt of benefits from the Sick Leave Bank. An employee will not be eligible to utilize the foregoing vacation entitlement until her/his return to active service.
 - For a school term (ten (10) month) employee, annual vacation balance remaining on the 1st day of school in September following the employee's return to active service shall be paid to the employee as a lump sum.
 - For a twelve (12) month employee, on June 30 following the employee's return to active service, the employee's accrued vacation balance is subject to article 14.213 and any vacation in excess shall be paid to the employee as a lump sum.
 - An employee who does not return to active service shall be paid their vacation entitlement upon retirement or resignation.
8. Employees eligible to receive Core LTD benefits shall be enrolled in the following plan hereinafter referred to as the "top-up plan." The top-up plan will provide eligible employees in receipt of the Core LTD benefits of 60% of pre-disability earnings with a top-up to 70% of pre-disability earnings. The full costs of the top-up plan will be funded from the Sick Leave Bank. The top-up plan will be administered by the third party selected by the PEBT to administer the Core LTD Plan. The cost of the top-up plan will be determined in negotiation with the provider.
9. Employees eligible to receive Sick Leave Bank benefits (i.e. regular employees working a minimum of sixteen (16) hours per week and who have completed two (2) years of regular service) will be eligible for waiver of EHB, Dental, EFAP, ADD and MSP premiums while in receipt of LTD benefits. During the first year that an employee is in receipt of Core LTD benefits 20% of the cost of the waiver of premiums will be funded from the Sick Leave Bank. For subsequent years during which the employee is in receipt of Core LTD benefits, the full cost of the waiver of premiums will be funded from the Sick Leave Bank. The premium costs will be based on the invoices received from the carriers.

10. During the first **two (2)** years of receipts of LTD benefits, employees eligible to receive Sick Leave Bank benefits (i.e. regular employees working a minimum of sixteen (16) hours per week and who have completed two (2) years of regular service), shall accrue seniority equivalent to the amount accrued if the employee was in receipts of benefits from the Sick Leave Bank.
11. The Parties will determine the proportion of hours of the sick leave credit to each employee that will be transferred to the Sick Leave Bank to fund the plans identified in this agreement. The calculation of the monetary value of the hours transferred to the Sick Leave Bank will be done by the Employer and will be based on the weighted average of the hourly rate of all employees eligible to receive Sick Leave Bank benefits. The weighted average shall be calculated annually on July 1 applying the methodology used to determine the rate in the actuarial evaluation done by Morneau Sobeco in October 2007.
12. The parties will meet annually to review the costs of the benefits funded by the Sick Leave Bank (i.e. Elimination Period Sick Leave Bank benefits, top-up plan and waiver of benefit premiums). The parties will ensure that the costs of the foregoing in total do not exceed the cost of the Sick Leave Bank as was determined by the actuary (i.e. \$941,468 per annum). The amount of \$941,468 per annum will be increased/decreased due to a change in staffing and/or to the average hourly rate utilized in the actuarial evaluation done by Morneau Sobeco in October 2007. The savings referred to in #3 of this document shall be the difference between the cost of the Sick Leave Bank (as determined by the actuary) and the cost of the benefits funded by the Sick Leave Bank.
13. This Memorandum of Agreement shall become effective September 1, 2009. Employees in receipt of Sick Leave Bank benefits prior to September 1, 2009, shall continue to receive Sick Leave Bank benefits under the previous eligibility rules for the duration of the absence.
14. The first year that an eligible employee receives LTD benefits will count as one (1) year of service for the provisions of Article 13.120.
15. Should a major change occur to the Core LTD benefits (i.e. a reduction in the current Core LTD benefits of 60% or the Municipal Pension Plan ceases to recognize the Core LTD Plan as an approved plan) this Memorandum of Agreement will no longer be in force and effect unless the parties mutually agree otherwise. If the parties do not agree to maintain this Memorandum of Agreement in effect it shall be null and void and the administration of the Sick Leave Bank shall revert to the practice in effect prior to this Memorandum of Agreement.

16. This agreement is subject to the ratification of the Board of Education, School District No. 36 (Surrey) and CUPE Local 728, and the approval of the British Columbia School Employers' Association (BCPSEA).

Letter of Understanding #14 - 10 Month Vacation Payout

Letter of Understanding

Between

School District No. 36 (Surrey)

And

Canadian Union of Public Employees, Local 728

Re: 10 Month Vacation Payout

The parties agree to establish a joint working committee to review the feasibility of offering 10 month employees the ability to opt out of the current vacation payout process after Spring Break (as outlined in Article 14.210, second paragraph), as follows:

Step 1 – Committee Review

The committee shall consist of up to three (3) representatives from the Union and three (3) representatives of the District who will be responsible to determine:

- the implications on pension, EI benefits or other benefit provisions
- the operational payroll issues, including software modifications, payroll calendar issues and payroll processing issues
- any other impact not considered above

The Committee's review shall be completed within four (4) months following the date of ratification of the collective agreement.

Step 2 – Communicating with Employees

Following completion of the review, the parties will issue a joint communique to all 10 month employees explaining the implications of opting out of the provisions of Article 14.210 (second paragraph).

After reviewing the information provided employees will be required to select either to continue the current vacation payout process (paid biweekly following Spring Break) or participate in the trial to have their vacation paid out over the summer (biweekly following the last pay period in June).

The Committee will review employee selections to ensure that a minimum of 10% of all 10-month employees are interested in participating in the vacation payout trial before moving to Step-3 below. Should fewer than 10% of all 10-month employees be interested, it is agreed that the trial will not commence and the Committee's work will come to an end.

Step 3 – Activating the Trial

The trial period will operate from February 1 up to the last Friday before Labour Day in either the 2013/14 school year or the 2014/15 school year.

Following completion of the trial, the provisions of Article 14.210 will apply, unless the parties mutually agree to continue all or parts of the letter.

It is understood that if the parties agree to continue all parts of this letter that current employees will be eligible to make one further selection to opt out of or opt into the summer vacation payout during the course of their employment with the District. New employees will be required to choose their vacation pay out option upon hire and will be eligible to make one further selection during the course of their employment with the District.

APPENDIX B

FAMILY EMERGENCY LEAVE

Family Emergency Leave will include but not be limited to the following:

1. Marital breakup
2. Serious family illness requiring the employee to be with or to care for the ill family member.
3. Time to be taken before or after the death of a family member other than bereavement leave.
4. In the event an employee or family member is involved with a "recovery" program requiring the active participation of the employee.

An example of what would not be a Family Emergency Leave is a wedding out of the country. This would be a normal leave of absence issue. A sudden illness or injury to a family member out of the country would be a legitimate Family Emergency Leave.

This type of leave is not to be used for frivolous purposes, but for real need.

APPENDIX C

APPRENTICESHIP TRAINING PLAN

- (1) School District No. 36 (Surrey) recognizes the opportunity for apprenticeship training to take place in the following trades:
 - (a) Painting/Decorating
 - (b) Roofing, Damp and Water Proofing
 - (c) Benchwork/Joinery
- (2) As expertise may change and permit further/other apprenticeship opportunities or invite changes in 1(a) - (c) above, it is also recognized that either the Union or the Board may reapply to the Apprenticeship Training Program Branch for recognition or alteration of trades/programs training.
- (3) Given the current instability in the labour market, it is agreed that no apprentices would be hired to work for School District No. 36 (Surrey) in any trade in which there are laid off tradesmen either still employed in other classification with the district or still on layoff with recall rights as specified under the 1983 collective agreement.

APPRENTICESHIP TRAINING PLAN
Between
SCHOOL DISTRICT #36 (SURREY)
and
CANADIAN UNION OF PUBLIC EMPLOYEES (CUPE)
LOCAL 728

The following Memorandum of Agreement dated November 5th, 1984 is entered into between the Employer and the Union to establish an Apprenticeship Training Plan (ATP) in the district and is to become part of the collective agreement marked "Appendix C".

PURPOSE

School District #36 (Surrey) and the Canadian Union of Public Employees (CUPE) Local 728 do hereby agree to enter into an Apprenticeship Training Plan (ATP) as defined and described hereafter.

Purposes of the ATP are as follows:

1. To provide on-the-job training for employees as apprentices in trades in which there are expected to be vacancies or new positions created by the end of the apprenticeship training period;
2. to provide current employees of the district in Trades Helper and other semi-skilled categories an opportunity to upgrade their skills to become journeymen;
3. to provide the potential opportunity for students of the school district to obtain trades qualification through employment with the district after graduation;
4. to provide the Board with superior quality employees while at the same time protecting the rights and prerogatives of Union members;
5. to do away with the need in future for the Board to hire any more Trades Helpers, in favour of either journeymen or apprentices.

It is recognized that some unforeseen problems may arise in respect to this first Apprenticeship Training Program. Therefore, it is agreed that such problems shall be discussed between the Union and the Employer with a view to the settlement of the problems to the mutual satisfaction of both parties.

CONDITIONS OF APPRENTICESHIP OPPORTUNITIES

1. School District #36 (Surrey) recognizes the opportunity for apprenticeship training to take place in the following trades:

- (a) Painting/Decorating
 - (b) Roofing, Damp and Waterproofing
 - (c) Benchwork/Joinery
2. As expertise may change and permit further/other apprenticeship opportunities or invite changes in (a - c) above, it is also recognized that either the Union or the Board may reapply to the Apprenticeship Training Program Branch for recognition or alteration of trades/programs training.
3. Given the uncertainty in the labour market as at the signing date of this agreement, it is agreed that no apprentices be hired to work for the Board in any trade in which there are laid-off tradesmen either still employed in other classifications with the district or still on layoff with recall rights as specified under the collective agreement.

STRUCTURE

Section 1

- The Board will ensure that apprentices be given the necessary on-the-job practical training;
- Entrance to any apprenticeship will be subject to the applicant meeting the standards required for acceptance by the Apprenticeship and Industrial Training Branch.
- This agreement and contracts of apprenticeship entered into pursuant to this agreement shall be governed by the provisions of the Apprenticeship Act.
- No provision of this agreement shall infringe upon or limit the Employer's right to hire, discharge or layoff employees as circumstances warrant;
- Every apprentice shall be bound by all the provisions of the collective agreement prevailing between the Employer and the Union;
- All vacancies for new apprentice positions shall be posted and filled in accordance with the provisions of the collective agreement.

QUALIFICATIONS

Section II

1. Each of the employees listed in Schedule "A" attached shall be paid as a journeyman in the trade designated opposite their name while employed in such trade.
2. Subject to Section II, Clause 4 (a - c) following, each of the Trades Helpers listed in Schedule "B" attached shall apply for examination for a certificate of proficiency in the trade after their name within sixty (60) days of the effective date of this agreement.
- (a) Applications are made to the Director of Apprenticeship and Industrial Training appointed in the provisions of the Apprenticeship and

Tradesmen's Qualification Act (hereinafter referred to as "the Director" and "the Act" respectively).

- (b) Schedule "B" employees who successfully complete their trades qualification examination at the first opportunity provided by said Director will qualify as a journeyman and henceforth be paid accordingly.
- 3. (a) Every employee described in Clause 2 above who fails the examination taken or who is refused an opportunity to write the examination by the Director may apply for entry into a contract of apprenticeship in the grade designated opposite their name.
(b) Such applicants shall be accepted by the Employer as an apprentice at the appropriate level if they are approved for an apprenticeship with the district by the Director.
- 4. (a) Any Schedule "B" employee who has reached their forty-fifth (45th) birthday as of the date of this agreement may elect to not write the qualifying examination or to participate in the ATP.
(b) Such employees shall make that opt-out election within sixty (60) days of the date of this agreement.
(c) Employees named in Schedule "B"
 - (i) who opt-out as in clauses 4 (a - b) preceding, or
 - (ii) who fail the qualifying examination under Clause 2 above and who subsequently decline to become an apprentice, or
 - (iii) who are refused entrance into an apprenticeship contract by the Director shall be retained by the Employer in their last regular position at the rate of pay provided for in the collective agreement between the employer and the Union. Such employees shall be "red-circled" and shall not thereafter be entitled to progress to a higher increment level in that classification (i.e. to progress from TH-I to TH-II.)

LAYOFFS/SENIORITY

Section III

For the purpose of layoff of journeymen and apprentices within the trades of the School District, apprentices and journeymen shall be separate as to classification and seniority, as follows:

- (i) In the event of a reduction in trades sections, layoffs shall occur in the following order: (1st) red-circled Trades Helper I's and apprentices with two or fewer years of apprenticeship; (2nd) all other apprentices; (3rd) red-circled Trades Helper II's; (4th) journeymen. All laid off employees

will, however, be able to exercise their seniority in other classifications as dictated by the collective agreement.

- (ii) If apprentices are laid off, seniority as an apprentice shall determine order of layoff.
- (iii) In the event of recall or re-hire, classifications filled shall be in reverse order described in sub-clause (i) above.

SCOPE OF PLAN

Section IV

1. Subject to the obligations of the Employer under Section II, Clause 3(b) above to employ as apprentices those employees who fail their qualifications exams for their respective designated trades, the Employer may also employ up to one (1) apprentice to four (4) journeymen, provided however, that:
 - (i) the Employer may authorize apprentices in trades where the number of journeymen is fewer than four, if an apprenticeship is deemed warranted.
 - (ii) during the initial implementation phase of this Apprenticeship Training Plan, the maximum may be exceeded at the discretion of the Employer by reason of applications for apprenticeships from incumbent trades helpers applying under Section II, clause 3 (b) above, and
 - (iii) the Board will ensure that the apprentice to journeyman ratio is sufficient to respond to future planning needs in any trade (without, however, prejudicing the Board's right to hire journeymen in preference to hiring apprentices).
2.
 - (a) Every apprentice who has obtained a certificate of proficiency or a certificate of apprenticeship in their designated trade under the Act for whom no journeyman's position is immediately open in the district shall, subject to the availability of work, be retained on staff in the district for a maximum of six (6) months at the final step of the appropriate apprentice pay scale as provided in the contract of apprenticeship.
 - (b) After expiration of the said six (6) month period, the Employer shall have no obligation to offer them employment as a journeyman.
 - (c) In the event a position is not available for a graduate apprentice as a journeyman in their trade, they shall exercise their seniority as per the collective agreement.

APPRENTICESHIP PROBATION

Section V

1. (a) An employee who applies to the Employer to enter into an apprenticeship contract with the Employer and is accepted as a prospective apprentice shall serve a three (3) month probationary period provided the Director has approved the probationary contract of apprenticeship.

(b) The employer may only extend the probationary period with the express permission of the Apprenticeship Branch or as provided under Section VII (5) following.
2. Upon the completion of the probationary period by the apprentice to the satisfaction of his superintendent, the Employer and the apprentice shall execute an apprenticeship contract and the three (3) months probationary period shall be considered part of the first year of apprenticeship.
3. Any employee who fails to complete the probationary period for any reason or fails to execute an apprenticeship contract shall retain their overall district seniority and shall be transferred back to their former position (or otherwise exercise their seniority) pursuant to the collective agreement.

APPRENTICESHIP COURSEWORK

Section VI

1. An apprentice shall be paid their regular rate of pay while attending full-time courses set by a training authority established under the Act during each year of apprenticeship.
2. Where possible, however, the apprentice will be directed to undertake coursework during times other than normally scheduled work hours.
3. The Employer has no obligation to authorize time off for coursework or exam writing for more than one trade apprenticeship per employee.
4. An apprentice failing the qualifications exam shall be permitted to repeat the examination only once at the next available examination period if his superintendent considers his in-shop performance adequate. Should the second examination be failed, the apprentice's contract shall be terminated and he shall revert to his previous regular position, if applicable, or exercise seniority rights as per the collective agreement, or be laid off.
5. (a) Where an apprentice incurs delay in taking one of the tests due to unavailability of an examination or rescheduling of an examination, the

delay shall not prejudice their right to any wage increments provided for in this agreement.

- (b) Such pay due and owing shall not be paid, however, until the apprentice has passed the examination, but shall be retroactive to the increment date.
 - (c) Responsibility for providing examination results rests solely with the employee.
6. Apprentices shall be required to attend any and all classes pertaining to their trade as laid down by the Apprenticeship Branch.
7. (a) In cases of failure on the part of any apprentice to fulfill his obligations in respect to school attendance, the Employer -- subject always to the grievance procedure contained in the collective agreement -- shall have the authority to recommend to the Apprenticeship Branch that it suspend or revoke the apprenticeship and agreement, and will notify the Union of the violation.

APPENDIX E

Provincial Framework Agreement ("Framework")

between

BC Public School Employers' Association ("BCPSEA")

and

The K-12 Presidents' Council and Support Staff Unions ("the Unions")

BCPSEA and the Unions ("the Parties") agree to recommend the following framework for inclusion in the collective agreements between local Support Staff Unions who are members of the K-12 Presidents' Council and Boards of Education.

1. Term

July 1, 2022 to June 30, 2025

2. Wages Increases

General wage increases as follows:

July 1, 2022: \$0.25 per hour wage increase plus an additional 3.24%

July 1, 2023: 5.5% and up to 1.25% COLA adjustment

July 1, 2024: 2.0% and up to 1.0% COLA adjustment

The COLA adjustments will be the annualized average of BC CPI over twelve months per paragraph 4 below

3. Wage Increase Retroactivity

- a. Employees employed on the date of ratification who were employed on July 1, 2022 shall receive retroactive payment of wage increases to July 1, 2022.
- b. Employees hired after July 1, 2022 who were employed on the date of ratification, shall have their retro-active pay increase pro-rated from their date of hire to the date of ratification.

- c. Employees who retired between July 1, 2022 and the date of ratification, shall have their retro-active pay increase pro-rated from July 1, 2022 to date of retirement.

4. COLA Adjustment

The provincial parties agree that in determining the level of any Cost of Living Adjustments (COLAs) that will be paid out starting on the first pay period after July 1, 2023 and July 1, 2024, respectively, the "annualized average of BC CPI over twelve months" in paragraph 2 of the Provincial Framework Agreement means the *Latest 12-month Average (Index) % Change* reported by BC Stats in March for British Columbia for the twelve months starting at the beginning of March the preceding year and concluding at the end of the following February. The percentage change reported by BC Stats that will form the basis for determining any COLA increase is calculated to one decimal point. The *Latest 12-month Average Index*, as defined by BC Stats, is a 12-month moving average of the BC consumer price indexes of the most recent 12 months. This figure is calculated by averaging index levels over the applicable 12 months.

The *Latest 12-month Average % Change* is reported publicly by BC Stats in the monthly BC Stats *Consumer Price Index Highlights* report. The BC Stats *Consumer Price Index Highlights* report released in mid-March will contain the applicable figure for the 12-months concluding at the end of February.

For reference purposes only, the annualized average of BC CPI over twelve months from March 1, 2021 to February 28, 2022 was 3.4%.

5. Public Sector Wage Increases

1. If a public sector employer, as defined in s. 1 of the *Public Sector Employers Act*, enters into a collective agreement with an effective date after December 31, 2021 and the first three years of the collective agreement under the Shared Recovery Mandate includes cumulative nominal (not compounded) general wage increases (GWIs) and Cost of Living Adjustments (COLAs) that, in accordance with how GWIs are defined and calculated in this LOA, are paid out and exceed the sum of the GWIs and COLAs that are paid out in the K-12 Provincial Framework Agreement, the total GWIs and COLAs paid out will be adjusted on the third anniversary of the collective agreement so that the cumulative nominal (not compounded) GWIs and COLAs are equivalent. This paragraph 5 is not triggered by any wage increase or lump sum awarded as a result of binding interest arbitration.
2. For the purposes of calculating the general wage increases in paragraph 1:

- a) a \$0.25 per hour flat-rate wage increase for employees with their hourly wage rates set out in the collective agreement; or
- b) any alternative flat-rate wage increase for employees whose hourly wage rates are not set out in the collective agreement that is determined by the Public Sector Employers' Council Secretariat to be roughly equivalent to a \$0.25 per hour flat-rate wage increase;

shall be considered to be a 0.5% general wage increase, notwithstanding what it actually represents for the average bargaining unit member covered by the collective agreement. For clarity, under paragraph 2 a), the combined GWIs of \$0.25 per hour and 3.24% in Year 1 are considered to be a single increase of 3.74% for this LOA. For example purposes only, combining the 3.74% increase (as it is considered in this LOA) in Year 1 with the maximum potential combined GWI and COLA increases of 6.75% in Year 2 and 3% in Year 3 would result in a cumulative nominal increases of 13.49% over three years.

- 3. For certainty, a general wage increase is one that applies to all members of a bargaining unit (e.g. everyone receives an additional \$0.25 per hour, \$400 per year, or 1% increase) and does not include wage comparability adjustments, lower wage redress adjustments, labour market adjustments, flexibility allocations, classification system changes, or any compensation increases that are funded by equivalent collective agreement savings or grievance resolutions that are agreed to in bargaining.
- 4. A general wage increase and its magnitude in any agreement is as confirmed by the Public Sector Employers' Council Secretariat.
- 5. This paragraph 5 will be effective during the term of the K-12 Provincial Framework Agreement.

6. Local Table Bargaining Money

Provide ongoing funding to the support staff local tables in the amount of:

Year	Amount	District Minimum
2022/2023	\$11,500,000	\$40,000
2023/2024	\$13,800,000	\$50,000
2024/2025	\$17,800,000	\$60,000

This money will be prorated according to student FTE providing that each district receives the district minimum amount.

The district and local must reach agreement on its use and implementation as part of their local discussions. The money may not be used for a general wage increase.

7. Provincial Labour Management Committee

The parties agree to maintain a Provincial Labour Management Committee (PLMC) to discuss and problem solve issues of mutual provincial interest, including issues referred from provincial committees established under this Framework Agreement. The purpose of the committee is to promote the cooperative resolution of workplace issues, to respond and adapt to changes in the economy, to foster the development of work-related skills and to promote workplace productivity.

The PLMC shall not discuss local grievances or have the power to bind local parties to any decision or conclusion. This committee will not replace the existing local grievance/arbitration processes.

The parties agree that the PLMC will consist of up to four (4) representatives appointed by BCPSEA and up to four (4) representatives appointed by the Support Staff Unions. Either provincial party may bring resource people as required, with advanced notice to the other party and at no added cost to the committee.

The PLMC will meet quarterly or as mutually agreed to for the life of the 2022 Framework Agreement and agree to include Workplace Health and Safety as a standing agenda item.

8. Support Staff Education Committee (SSEC)

Structure:

The committee shall comprise of not more than five (5) members appointed by CUPE and five (5) members appointed by BCPSEA. One of the CUPE appointees will be from the Non-CUPE Unions.

Either Party may bring resource people as required, with advanced notice to the other party. These resource people will be non-voting and at no added cost to the committee.

Mandate:

The mandate of the committee is to manage the distribution of education funds for the following:

- a) Implementation of best practices to integrate skill development for support staff employees with district goals and student needs;
- b) Developing and delivering education opportunities to enhance service delivery to students;

- c) Identifying, developing and delivering education opportunities to enhance and support employee health and safety, including non-violent crisis intervention;
- d) Enable the provision of education opportunities to enhance and support the understanding, recognition and reconciliation process with Indigenous Peoples;
- e) Enable the provision of education opportunities to enhance and support equity, diversity, and inclusion as well as cultural safety;
- f) Skills enhancement for support staff;
- g) EA curriculum module development and delivery;
- h) These funds shall not be used to pay for education that Districts are required to provide under Occupational Health and Safety Regulations.

Terms of Reference:

The SSEC shall update, not later than January 31, 2023, the terms of reference for the committee. If no such agreement can be reached the SSEC shall make recommendations to the Provincial Labour Management Committee (PLMC).

Funding:

Commencing July 1, 2022, there will be \$50,000 of annual funding allocated for the purposes set out above. Commencing July 1, 2024, there will be an additional \$1,000,000 of annual funding allocated for the purposes set out above.

9. Safety in the Workplace

The parties agree that prevention of violence in the workplace is of paramount importance. The parties commit to providing a healthy and safe working environment that includes procedures to minimize the risk of workplace violence, such as Individual Safe Work Instructions or equivalent and the obligation to report and investigate incidents of workplace violence.

10. Provincial Joint Health and Safety Taskforce

The provincial parties will establish a Provincial Joint Health and Safety Taskforce of not more than four (4) members appointed by CUPE and four (4) members appointed by BCPSEA. Each provincial party will consider the appointment of subject matter experts in occupational health and safety. Either provincial party may bring resource people as required, with advance notice to the other party. These resource people will be non-voting and at no cost to the taskforce. Costs associated with this Taskforce will be provided from existing SSEAC funds.

The Provincial Joint Health and Safety Taskforce will:

- a) develop Terms of Reference to support training on the 2021 Workplace Violence Prevention Toolkit and the joint health and Safety Evaluation Tool;
- b) support the Support Staff Education Committee (SSEC) in the development of training related to the 2021 Workplace Violence Prevention Toolkit;
- c) provide a joint communication on the availability of training related to the 2021 Workplace Violence Prevention Toolkit for all Occupational Health and Safety Committees;
- d) review and update as required the Joint Health and Safety Evaluation Tool resulting from the 2019-2022 Provincial Framework Agreement;
- e) provide the reviewed Joint Health and Safety Evaluation Tool to each school district and local union;
- f) Identify and share best practices for the development of Individual Safe Work Instructions or equivalent.

11. Job Evaluation

The work of the provincial job evaluation steering committee (the JE Committee) will continue during the term of this Framework Agreement. The objectives of the JE Committee are as follows:

- Review the results of the phase one and phase two pilots and outcomes of the committee work. Address any anomalies identified with the JE tool, process, or benchmarks.
- Rate the provincial benchmarks and create a job hierarchy for the provincial benchmarks.
- Gather data from all school districts and match existing job descriptions to the provincial benchmarks.
- Identify the job hierarchy for local job descriptions for all school districts.
- Compare the local job hierarchy to the benchmark-matched hierarchy.
- Develop a methodology to convert points to pay bands - The confirmed method must be supported by current compensation best practices.
- Identify training requirements to support implementation of the JE plan and develop training resources as required.

Once the objectives outlined above are completed, the JE Committee will mutually determine whether a local, regional or provincial approach to the steps outlined above is appropriate.

It is recognized that the work of the committee is technical, complicated, lengthy and onerous. To accomplish the objectives, the parties agree that existing JE funds can be accessed by the JE committee to engage consultant(s) to complete this work.

It is further recognized that this process does not impact the established management right of employers to determine local job requirements and job descriptions nor does this process alter any existing collective agreement rights or established practices.

When the JE plan is ready to be implemented, and if an amendment to an existing collective agreement is required, the JE Committee will work with the local School District and Local Union to make recommendations for implementation. Any recommendations will also be provided to the Provincial Labour Management Committee (PLMC).

As mutually agreed by the provincial parties and the JE Committee, the disbursement of available JE funds shall be retroactive to January 2, 2020.

The committee will utilize available funds to provide 50% of the wage differential for the position falling the furthest below the wage rate established by the provincial JE process and will continue this process until all JE fund monies at the time have been disbursed. The committee will follow compensation best practices to avoid problems such as inversion.

The committee will report out to the provincial parties regularly during the term of the Framework Agreement. Should any concerns arise during the work of the committee they will be referred to the PLMC.

Create a maintenance program to support ongoing implementation of the JE plan at a local, regional or provincial level. The maintenance program will include a process for addressing the wage rates of incumbents in positions which are impacted by implementation of the JE plan.

The provincial parties confirm that \$4,419,859 of ongoing annual funds will be used to implement the Job Evaluation Plan.

Effective July 1, 2022, there will be a one-time pause of the annual \$4,419,859 JE funding. This amount has been allocated to the local table bargaining money. The annual funding will recommence July 1, 2023.

12. Committee Funding

There will be a total of \$150,000 of annual funding allocated for the purposes of the Support Staff Education Committee, the Provincial Labour Management Committee and the Provincial Joint Health and Safety Committee.

13. Public Education Benefits Trust

- a. PEBT Annual Funding Date: The established ongoing annual funding payment of \$19,428,240 provided by the Ministry of Education will continue to be made each April 1. This payment shall be made each April 1 of the calendar year to provide LTD and JEIS benefits in accordance with the Settlers Statement on Accepted and Policy Practices of the PEBT.
- b. The Parties agree that decisions of the Public Education Benefits Trust medical appeal panel are final and binding. The Parties further agree that administrative review processes and the medical appeal panel will not be subject to the grievance procedure in each collective agreement.
- c. Sick leave and JEIS eligibility for sick leave or indemnity payments requires participation in the Joint Early Intervention Service (JEIS) according to the JEIS policies of the PEBT.

14. Benefits

- a. Effective July 1, 2023, provide \$3 million dollars as ongoing annual funding to explore enhancements to the Standardized Extended Health Plan, including dental coverage, counselling and other improvements to benefits.

A one-time joint committee of up to four representatives appointed by BCPSEA and up to four representatives appointed by support staff unions will determine the enhancements to be implemented.

Any residual from the benefits standardization will be allocated to the Job Evaluation Fund.

- b. Effective July 1, 2023, provide \$1,000,000 one-time money to the PEBT to be utilized for addiction treatment support programs. The PEBT will determine appropriate terms of use for accessing the funds which will include, but not be limited to: priority access for support staff employees (vs. School Districts), treatment cost considerations, and relapse response.

15. Production of Local Collective Agreements

BCPSEA commits to providing a draft 2022 local collective agreement which includes all negotiated updates, within 30 days of ratification by the local parties. The draft collective agreement will be provided in editable format with changes tracked for the local parties to review.

16. Demographic, Classification and Wage Information

BCPSEA agrees to coordinate the accumulation and distribution of demographic, classification and wage data, as specified in the Letter of Understanding dated December 14, 2011, to CUPE on behalf of Boards of Education. The data currently housed in the Employment Data and Analysis Systems (EDAS) will be the source of the requested information.

17. Unpaid Work

In accordance with the *Employment Standards Act*, no employee shall be required or permitted to perform unpaid hours of work.

20. Provincial Dispute resolution

The provincial parties may mutually agree to refer a dispute under Provincial Framework Agreement to final and binding arbitration.

21. Funding

Funding for the Provincial Framework Agreement will be included in operating grants to Boards of Education.

22. Employee Support Grant

The Parties agree to the principle that Support Staff union members who have lost wages as a result of not crossing lawful picket lines during full days of a

BCTF strike/BCPSEA lockout will be compensated in accordance with the letter of agreement in Appendix A.

23. Adoption of the Provincial Framework Agreement

The rights and obligations of the local parties under this Provincial Framework Agreement are of no force or effect unless the collective agreement has been ratified by both parties no later than January 25, 2023, or a later date as established by the provincial parties if the local parties are engaged in mediation.

Dated this 15th day of September, 2022.
